

4X4 ACCESSORIES

NEW PRODUCT ADVICE

DESCRIPTION:

ARB Touring rooftop tent - Simpson II

APPLICATION:

Any vehicle with an ARB Touring rack or roof bars rated to 170lbs

PART NO:

ARB101

AVAILABILITY:

Now

FEATURES:

- Two minute set-up time & four minutes to pack up
- Efficient manufacturing processes ensure extremely competitive pricing
- Built using high quality, cotton/polyester ripstop fabric – breathable, waterproof & mold resistant
- Able to be mounted to the rear or side of a vehicle or trailer
- Comfortable 2.6" high density foam mattress with removable cover to facilitate cleaning
- Sturdy, aluminum retractable ladder
- Insulated aluminum framed and clad base reduces weight and helps prevent cold seeping through the floor
- Window awnings supported on spring steel stays which allow for windows to be opened during rain
- Flysheet raised above the tent on multiple bows to keep the tent cooler in sun and eliminate condensation in the cold
- Doors and windows are protected by insect screens, permanent vents reduce condensation
- Bungee cord system to assist with packing away the rooftop tent
- Enhanced mounting system – no need to drill into roof rack or bars – simple to install and remove when not in use
- Comes complete with mounting hardware, wrenches and comprehensive instructions. Also includes ladder and travel cover
- Size closed: 55" wide x 47" long x 15" high Open Size: 55" wide x 95" long x 52" high
