6.5 ft x 8.2 ft

**PRICE:**

ARB4401A

Retail: \$305

ARB4402A

Retail: \$287

**AVAILABILITY DATE:**

Now

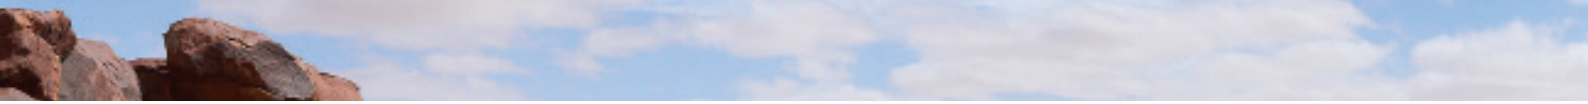

# PRODUCT SPECIFICATION

The 2500 ARB Touring Awning has always been the most popular model due to its large under cover area. However it is not suitable for vehicles with short roof racks such as canopy and cab racks that do not offer sufficient support to the awning mounting beam. Customer feedback has still shown a desire to fit the larger awning to vehicles with short racks and for this reason, the shorter 2000 ARB Touring Awning has been redesigned to extend out an additional 1.3 ft to a total 8.2 ft, offering almost 20% more undercover area.

Testing of the new ARB4402A awning showed that the extra length out from the vehicle offered a more versatile use of undercover space with the ability to place items such as chairs and tables away from the vehicle as well as offering additional protection from the elements for tables or tents which are often set up out beneath an awning. With the benefits of the extra length being seen as vast improvement, the decision was made to also increase the size of the 2500 ARB Touring Awning to offer a massive 8.2 ft x 8.2 ft undercover area.

Existing awning P/No's ARB3108 & ARB3111 have been superseded by the new awnings as stock is depleted.

## FEATURES:

- Shade cover manufactured from 300 GSM PU coated poly/cotton ripstop canvas – waterproof and UV protected
- Awning material has been updated to meet current fire retardant standards
- Self standing awning takes 30 seconds to deploy
- Awning is secured in a heavy duty nylon reinforced PVC bag
- Mounts easily to the side of most roof racks or roof bars
- Awning height adjustable with telescopic legs
- New, optional mosquito net to match the extended length will be available soon.
- Comes with pegs and guy ropes for securing legs, mounting nuts and bolts and comprehensive instructions
- Three awning sizes now available:
  - ARB4401A - 8.2 ft x 8.2 ft (2500 x 2500 mm)
  - ARB4402A - 6.5 ft x 8.2 ft (2000 x 2500 mm)
  - ARB3110A - 4.1 ft x 6.9 ft (1250 x 2100 mm)
