Product Specification

Introducing the new ARB BP-51 Compact Directors chair. This chair is the perfect balance of practicality and comfort, and will have you sitting with a cool beverage before you know it.

Sporting Old Man Emu colors, BP-51 branding, and a sleek anodized-aluminum cross-support frame for class-leading style, the new ARB Director Chair is a must at the campsite, sporting events, or your friend's BBQ. With full high back support, auto-folding table with cup holder, padded armrests, a safety lock-out button, unique any-terrain legs, a anti-leak cooler bag, and an abundance of pockets, the ARB Director Chair folds neatly down into an easy-pack carry bag. ARB's BP-51 Compact Director Chair has a unique folding mechanism that folds all the arms and legs together into a compact square shape.

Key Features & Benefits:

- High back for added support to the user
- Durable 420D rip-stop material for chair fabric
- Strong 300D PVC-lined carry bag with reversible zips, long handles, and a shoulder strap
- Built in rubber-gripped handle on chair for carrying without bag
- Easy folding action with lock-out button
- Pre-bent feet to provide superior levelling on uneven terrain
- Anodized-aluminum cross-support frames for class-leading style
- Use of aluminum and steel tube to reduce weight, while maximizing strength
- Safety lock to stop unexpected folding and provide stability
- Side table with oversized-cup holder
- Padded armrests
- Magazine pocket or carry-bag pocket on seat back
- Welded-seam cooler bag with mesh pockets

Technical Specifications:

- Heavy duty durable 300D nylon-oxford weave with webbing binding
- 0.94in steel tube arms and back support and 0.86in aluminum-tube frame
- UV resistant anodized legs
- Rated to hold a weight of 330lb
- Riveted steel pins
